

Commonwealth of Virginia
State Board of Elections
List of Candidates

2007 June Democratic Primary
Member Senate Of Virginia

In districts where only one candidate filed, that candidate is declared the nominee for the respective party. In such cases, no primary election will be held in that district. For primary elections the nominee's name will not appear on this list since they are not a candidate for the primary, but will appear as the party's candidate for the respective district in the general election.
